Factors affecting your current FICO® Score

These key factors reflect your credit information as reported in your credit report.

Derogatory public record or collection filed
Lack of recent bank/national revolving information
Too few accounts with recent payment information
Account payment history is too new to rate
Too many inquiries last 12 months
See the key ingredients used to calculate FICO® Scores.

Your FICO® Score shown above is displayed here for your educational purposes only. It is to help you understand your credit score and maintain good credit. For credit accounts, the FICO® Score displayed is the one that Wells Fargo uses to manage your account.

I no longer want Wells Fargo to display my FICO® Score.
